## HOPE IN HARD TIMES

Dr. Daniel Anderson

Professor at Appalachian Bible College

ROOM 3105/06

This study of Paul's first letter to the church at Thessalonica will not only uncover many truths for serving our God but also serving in difficult times. This book is likely the first book that Paul wrote and helps this newly formed church onto the path to maturity. Come along for this biblical journey as we find Hope in Hard Times.

## THE ROLE OF THE CROSS IN THE DAILY LIFE OF A BELIEVER

Dr. Daniel Carfrey

Professor at Appalachian Bible College

ROOM 1101 (THE NARROWS)

There is a two-fold work of Christ on the cross that is commemorated in the two elements of communion. We will be focusing for six weeks on the power of the crucified body of Christ as it applies to overcoming the sin nature every believer still struggles with after becoming a Christian. This is the secret of the Christian way of life for the Church Age that God revealed to the apostle Paul. The remaining weeks will focus on the three-fold application of the shed blood of Christ to the life of the believer. Most believers understand the application of Christ's blood for salvation, but there are two other applications that are necessary as well.

## HOMEBUILDERS: GROWING TOGETHER IN CHRIST

Mr. Don Merlo

ROOM 3103

In marriage, the spiritual connection is as essential as the physical and emotional one. Couples who share in each other's spiritual development have discovered a key ingredient of true intimacy. But how does a couple really grow together in faith? Is there more to it than going to church as a family or saying a prayer before dinner? This study will take you through a series of small-group discussions which will enable you to grow in Christ together and increase the power of your personal faith through the partnership of marriage.

## OPERATION TIMOTHY

Dr. Bill Tanzey

Pastor of Community Ministries

ROOM 3104

What if you were born to live for something big? Operation Timothy is a Christian Discipleship program that will cause you to expand the boundaries of your Christian life. Operation Timothy digs down deep into what we believe, and equips participants to both defend and share of our faith. We are all called to Christian discipleship and this is your opportunity to examine six life questions:

1. What is the Purpose of Life?
2. Is the Bible Credible?
3. Where is God?
4. Who is Jesus?
5. Why Did Jesus Come?
6. Can I Be Accepted and Forgiven?

## JESUS, THE TEACHER **DVD**

Pastors Jesse Waggoner & Mike Reynolds

ROOM 2104

Senior Associate Pastor • Pastor of Educational Ministries

Do you ever feel like you are a follower of Jesus, but from a distance? In Jesus' day, disciples followed their Rabbi so closely that they would be covered with the dust kicked up by the Rabbi's feet. In this study, the facilitators will help you discover how you can get dusty and be closer to your Rabbi, Jesus, by doing what he does, and also discover the fierce passion of our early Christian brothers and sisters to walk like Jesus—even when the path became treacherous.
