

August 28, 2008

Dear Parents,

In lieu of a hot lunch program or vending machines, Bible Center School has found a creative way to provide snack and lunch items for your children.

Each day the school orders lunch from a different restaurant. Due to rising food, paper, and transportation costs, our lunch program will be increasing this year to \$3.00 per day. A variety of snack and drink options are also available for purchase a la carte.

Special lunch meals come from the following restaurants as described below:

	Monday	Chick-Fil-A Choice of 8 chicken nuggets and 1 snack item <u>or</u> a chicken sandwich and 1 snack item
	Tuesday	Fazoli's Choice of Ziti pasta with <u>marinara</u> sauce, <u>alfredo</u> sauce or <u>plain</u> pasta. Two bread sticks are included with meals.
	Wednesday	Blues BBQ Choice of hot dog and 1 snack item <u>or</u> BBQ sandwich (no snack)
	Thursday	Subway Choice of 3-inch or 6-inch sub sandwich with choice of Ham or Turkey and White or Wheat Bread, with cookie. An additional snack item is included with the 3" option only.
	Friday	Little Caesars Pizza Personal pizza with choices of Cheese <u>or</u> Pepperoni
Lunches.....		\$3.00
Drink and Snack Items.....		\$0.50

This year, Bible Center School is excited to offer a new way to order lunches. Our desire is to make ordering lunch and snacks quick and easy. In the next few days, letters will be sent home with information regarding **Lunch Works** (<http://www.orderhotlunch.com>). By logging in to a web site, you will be able to order lunch for the week or the month, pay on line (optional), and review your statement at any time. For families without internet access, paper lunch forms can be turned in to the school office weekly. Special lunches and snack items may be ordered using this same process. If online payment is not used, then families will be billed on their monthly BCS statements. A la carte snack and milk items are available on a *cash-only* basis.

We understand that there will be **emergency** days and we will gladly take care of an occasional forgotten lunch for \$3.50.

The first couple of weeks will be handled by paper menus as last year. All families will be notified when our family's accounts will be accessible with Lunch Works. Thank you for all of your help and cooperation.
