STUDENT H1N1 VACCINATIONS

Students nine years old and younger were scheduled to receive their second round of H1N1 vaccination this afternoon. Because of the closing of Kanawha County Schools today, the vaccinations will take place on a soon-to-be rescheduled date. Parents will be notified prior to the time.

SCHOOL HOLIDAY

School is dismissed on Monday, January 18, for Martin Luther King, Jr. Day.

Please be reminded that the week of January 18 is a four-day lunch week.

SCHOOL CLOSINGS FOR INCLEMENT WEATHER

On Monday, December 21, Bible Center School had its first snow day of the year. As exciting as it is for our students, challenges exist for parents and school staff. Please note that in addition to making public notices on local media, using church voice mail, and posting on WVDE web sites, each parent will receive a **recorded courtesy call**. We are using the main home phone for each family contact. If your phone number has changed, or if you have one number that must be called, please update the information we have on file and let us know what is best for your family. Mobile phones can be listed as well as text messaging. Note that local media outlets do not guarantee that churches, businesses and day cares will be listed at the bottom of the broadcast screen. It is our desire to make these challenging mornings a little more relaxing than stressful!

*** If school is closed for inclement weather, messages will be posted on the church and school phone system by or before 6:00 AM. Call 304-346-0431 and press 2. You will then be directed to the school information line.**

*** Add a bookmark on your computer to the Dept. of Education web site: <http://wvde.state.wv.us/closings/private/biblecenter/>**
