...telling to the generation to come the praises of the LORD, And His strength and His wonderful works that He has done. Psalm 78:4

PARENT VOLUNTEER BRUNCH

A special "Thank You" is planned for our parents on Friday, June 5, at 10:00 AM. Come to C-210 for a nice time of food and fellowship and a hearty "thanks" in celebration of a great school year.

BIBLE CENTER SCHOOL MOVING TO FACTS

In the next day or two, all Bible Center School and Preschool families will be receiving information regarding a change in our school's billing system. To quote from that letter:

"Since the quality of our programs is of primary importance to us, we are seeking ways to make improvements that will benefit everyone. Admittedly, our school and business offices felt that this year's billing did not meet our expectations or give us the level of quality that we desired. In this regard, we are making a change in our tuition payment procedure for the 2009-2010 school year."

"After research and investigation, we have decided to partner with the FACTS Management Company to help manage our tuition program. All processing of tuition and incidental charges will be managed by FACTS, allowing us to spend more time and energy on education, development, and other school related issues, as well as providing a strong, consistent cash flow to meet the demands of educational and operational costs of running our school."

In order to communicate this information in the best way, three **Informational Meetings** are scheduled in the coming days. Please select the most convenient time and plan to attend. All three meetings will be held at the Oakhurst Campus in the "RIM" (former Sanctuary).

- ☛ Friday, June 5, from 9 to 10AM
- ☛ Sunday, June 7, from 4:30 to 5:30PM
- ☛ Thursday, June 25, from 6:30 to 7:30PM

THANK YOU, VERIZON!

A wonderful "Thank You" is in order for Verizon West Virginia and all of our Verizon parents. Last week, more than \$800.00 was received as a result of matching gifts and volunteer hours provided by the company and parent employees. The contributions were a blessing to our school!
