-------------------	-------

Location:

Lome, Togo

About the Hospital:

Hôpital Baptiste Biblique is a 40 bed full service hospital which opened in 1985. Annually, it provides care to over 2,200 inpatients, including around 1,500 surgical cases. The hospital averages 600 deliveries per year. The sole purpose of HBB is to use medicine to reach into people's lives with the Good News of the saving power of Jesus Christ.

Why Is The Church Going To Togo?

The purpose of the trip is two-fold: 1) To provide you with an exciting and life changing opportunity to minister and serve in another country. 2) To assist a hospital managed by one of our global partners, Michael & Cheryl Gayle.

What Will We Be Doing In Togo?

You will be assisting the staff of HBB Hospital. You may also have the opportunity to go out into the village to meet and treat patients.

How Do I Pay for the Trip?

You can pay online via the app or church website at biblecenterchurch.com/goteams. If needed, we can provide you with a support letter that you can use to mail out to family and friends. Most people are eager to help, especially if they are not in a position to go on the trip themselves. Don't rob someone of being a blessing to you and the team by not asking for financial and prayer support.

Health Insurance:

Most health insurance policy's will cover you for foreign travel, but we will also be purchasing short-term medical insurance. You will still need to provide us with a copy of your insurance card for the trip.

Team Meetings:

We may hold a team meeting or two for training and information. These will be scheduled as needed.

What Do I Do Next?

1. Pray! Ask God to show you if He wants you on this trip.
2. Visit biblecenterchurch.com/goteams to fill out the application and pay a non-refundable \$200 deposit.
4. Apply for your passport, if you do not have one.
5. Make sure all of your immunizations are up to date. In addition, yellow fever is required. Hep A, Malaria, & Typhoid are recommended.

“Country entry requirement: The government of Togo **requires proof of yellow fever vaccination** for all travelers, except infants.” CDC Website 1/31/17

6. Start studying French :)
