Dear Church Family,

Welcome to Bible Center! Thank you for making the choice to join us as we approach our Lord. January is proving to be quite a challenge. We end the month in the right place, here before our Lord. It is not every month that we face a polar vortex (a couple times!), a state of emergency, and threats to water so vital to our sustenance. Life circumstances bring us to be more aware of our weakness and our need of help from God first, and then from each other. God's family is so dear. We are glad you are here today.

you have ever wondered about what it looks like in the routine of life, you have come on the right morning.

Our Community groups are taking flight this winter. Our two Sunday groups continue to meet tonight. We are still savoring last week's announcement of the Christmas Card Offering. God is at work! Thanks for being a part.

Keep going,

Eric

SENIOR PASTOR

We come to the one passage in the New Testament that explains the Christian life. I am excited to ponder Philippians 2:12-13 with you this morning. Is it just us? From whence comes the wherewithal to live for Jesus? How do we do this Christ-story stuff? What does obedience look like? Are we able? Is it all us? Is it all Him? How does it work in life? We have to resume life in a fresh new week tomorrow? How does this all work? If

January/February Special Missions Offering

Our special missions project offering for January and February is in conjunction with the Dreisbachs, our partners in the Philippines. A critical component of that country's recovery efforts from recent typhoons is supplying clean drinking water. Materials for a simple water filtration system, to be made by the people themselves can be purchased for about \$20. This filter will provide clean water for up to 5 families. The systems will allow for churches in these areas to be an integral part of the recovery and will allow them to show and share the truth of the gospel as they train the people on how to make these systems. Let's see how many systems we can provide! Please mark your check or envelope **Special Missions Project** and place it in the offering during one of the services today.

B. Because God's work makes us able. (2:13)

Christmas Card Offering (Kosovo Leadership Academy)

God blessed us with an overwhelming response to our Christmas Card Offering for the Kosovo Leadership Academy (KLA)! His people - YOU! - gave over \$95,000... blowing our \$50,000 goal out of the water! The school will be used by God to educate this generation of young people in Kosovo. This war-torn nation needs not only to rebuild and educate their young people, but they need a light that will point them to Jesus. The KLA will be a huge part of being that light. Thanks for being a part of this tremendous blessing!

Financial Audit Available

Praise the Lord for the "clean" opinion given in our recently completed financial audit for FY2013! This means the independent auditors had no significant reservations in respect to matters contained in our financial statements. You may pick up a copy of the audit report at the Southridge Info Desk or at our Oakhurst Campus.
