

## Snap That Session 3: #useit #forgood

Have you ever vented on any social media site?

How long does it take to ruin a reputation today?

We want you to use your brain when it comes to social media.

TRUTH

Does God care about this?

*Social Media:*

---

---

The main goal we are trying to accomplish with social media is communication!

*Don't use foul or abusive language. Let everything you say be good and helpful, so that your words will be an encouragement to those who hear them. (Ephesians 4:29 NLT)*

We should speak encouraging and helpful words (social media) to others.

*Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. If you do this, you will experience God's peace, which is far more wonderful than the human mind can understand. His peace will guard your hearts and minds as you live in Christ Jesus. And now, dear brothers and sisters, let me say one more thing as I close this letter. Fix your thoughts on what is true and honorable and right. Think about things that are pure and lovely and admirable. Think about things that are excellent and worthy of praise. Keep putting into practice all you learned from me and heard from me and saw me doing, and the God of peace will be with you. (Philippians 4:6-9 NLT)*

The way we think is the way we will communicate

*Let your conversation be gracious and effective so that you will have the right answer for everyone. (Colossians 4:6 NLT)*

### **So Now What?**

How are you going to use social media?

Can you make a difference (for the better) in someone's life by the way that you use it?

Will you choose to use it in this way?

Bottom Line: Use social media for good. Don't just consume it
