Jesus' attention to the widow's offering teaches us about giving and about life.

1. Three simple lessons:
 - Everyone can and should give. *(v. 42)*
 - Faith-based giving is enabling. *(v. 43)*
 - God celebrates big gifts. *(v. 44)*
2. When faced with a choice, choose both. *(v. 42)*
3. What is God's perspective on giving? *(v. 44)*
 - *What's left* is more important than *what's given*.
 - *Proportion* is more important than *size*.
 - *Commitment* is more important than *quantity*.
4. What does this mean for me and Bible Center Church?
 - The main point is *not*: Even **small** gifts mean a lot.
 - The main point *is*: Proportionally **big** gifts mean a lot.
