

# **King Jesus**

Luke 19:28-44

Pastor Shawn Thornton – April 10, 2022

.....

We experience deep joy when we embrace King Jesus for Who He is, not just Who we want Him to be.

## **1. The True King**

- fulfills prophecy
- brings hope

## **2. The Gentle King**

- in control, but never oppresses
- in tears, but never weak

## **3. The Worthy King**

- of our worship
- of our gratitude

Are you embracing King Jesus for Who He is or Who you want Him to be?
