.....

1. Justice is the nature of God.

a. He defines it.

b. It has highest significance. ([Deuteronomy 17:18-19](#); [Isaiah 16:5](#); [Luke 10:27](#))

2. Justice is the call to the Christ-follower.

a. It alters our lives.

b. It reframes our priorities. ([Micah 6:8 \(ESV\)](#))

3. Justice is a picture of "on earth as it is in heaven." ([Matthew 25:34-36, 40](#))

Thriving churches are made up of people becoming like Jesus by altering their lives for the sake of their neighbors.
