

Doubling Down on “Be in The Bible”

Pastor Troy Thornton – December 31, 2023
.....

Followers of Jesus who are consistently in the Bible will be changed by its practical principles as they trust the Holy Spirit to apply it in their daily lives. (*Psalm 1*)

If followers of Jesus are in the Bible they will:

Delight in It (*John 17:17*)

- It is relational.
- It is transformational.

Meditate on It (*Joshua 1:8-9; Philippians 4:6-8*)

- It is intentional.
- It is thoughtful.

Flourish Because of It (*Jeremiah 17:8; Ephesians 2:10*)
