

Crossroads

Iulian Avramescu – May 5, 2024

.....

#1. Life is full of crossroads. *(Jeremiah 6:16)*

“People who do the most in this life are the people who think the most of the next life.”
— CS Lewis

#2. God speaks at the crossroads. *(Ezra 7:10)*

#3. You choose the way/the path. *(Romans 15:18-19)*

However, the internal guidance of the Holy Spirit is always in harmony with the character and work of God. This means that three things will always be true about His guidance:

- It will honor Christ.
- It will encourage holiness.
- It will be in accordance with the Bible.
