

Love is Always Right

1 John 4:7-12

.....

I. Love is bathed in grace.

- Grace is the motivation to love.
- Grace is the undeserved favor by which God turns people to His Son.

II. Love is based in truth.

- Truth is the foundation to love.
- Truth is the undiluted foundation by which God reveals His Son to people.

Grace and truth are a uniquely divine “Christian” combination.

Practicing them = loving people.
