Introduction

This resource guide and devotional is designed to help you grow as a disciple of Jesus and to make more disciples of Jesus.

Jesus started His ministry by making disciples. He said,

*Follow Me,
And I will make you
Fishers of men.*

MATTHEW 4:19

Jesus based His entire ministry strategy on a few who would **follow Him and make more disciples**. **Making disciples** is the central mission and strategy of the church until Jesus returns. At Bible Center, we live out this mission by helping everyone to **Connect, Grow, and Multiply**.

Connect - (Follow Me) **The Gospel is Central**, so we live to share the Gospel with everyone so that they may follow Jesus and participate in His church.

Grow - (and I will make you) We build HABITS by always taking our next step of growth.

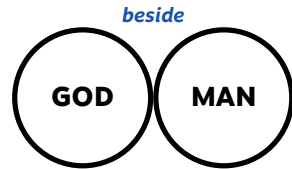

Multiply - (fishers of men) We intentionally make more disciples by helping others to connect and grow. We continue this process until we saturate the state with the Gospel. We are **#ForCountryRoads**.

Connect

We follow Jesus and participate in His church. The Gospel communicates how we start a relationship with Jesus and how to grow in our relationship with Him. The Gospel is the central message of the Bible and is summarized below in 10 Words.

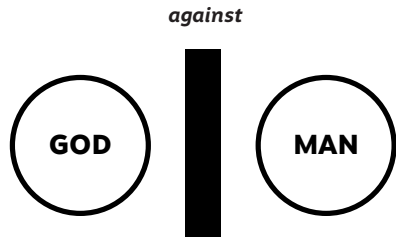

God Creates

God **beside** us! God created all things—including mankind—in His own image to have a relationship with Him. *Genesis 1, Colossians 1:15-17, Psalm 139*

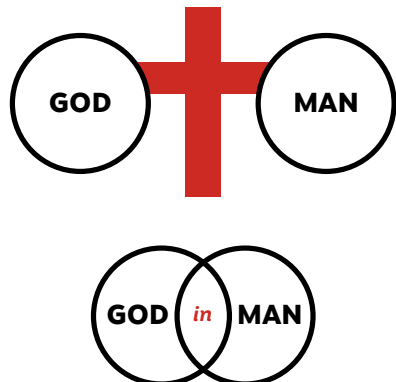

Sin Breaks

God **against** us! Sin broke our relationship, and we are enemies and hostile toward God, separated from Him. *Romans 3:10, 3:23, 5:8, Colossians 1:21*

Jesus Saves

God **in** us! Jesus died on the cross for our sins and rose from the dead. He forgives and saves all who place their faith in Him and gives them the Holy Spirit. *Ephesians 2:8-9, Romans 10:9-10*

Jesus offers salvation to all who believe in Him. You can express your faith by praying to Him now... *"Jesus, I have sinned against you and ask for your forgiveness. I believe you died on the cross for my sins and rose from the dead."*

Jesus Transforms

Jesus **for** us! Jesus is for us! Jesus transforms us to be more like Him through a process of growth and calls us to make more disciples of Him.

Matthew 4:19, Philippians 1:6

God Restores

God **with** us! God with us! One day Jesus will return and will renew and remake all things—including you, the church, and all of creation! *Colossians 3:4, Revelation 21-22*

Life is designed to be lived with one another, **participating in the church** through learning and living the Bible, prayer, and worship.

Grow

Jesus transforms us through a process of growth throughout our lives. The way we consistently spend our time and engage with God and others form our habits. Growth takes place as we break bad habits and build healthy habits. It has been said,

“Shape your habits and then your habits will shape you.”

The Bible speaks to our priorities and values. At Bible Center, we use the acronym, **HABITS**, to focus on six ways to grow. As we grow, our love for God, one another, and our neighbors will become more evident in our actions, desires, and words.

We grow by taking steps to build biblical HABITS. In this booklet, the HABITS are defined and described. A couple of devotionals, developmental resources, and opportunities are also included.

Our **HABITS Assessment** is available to help you determine which HABITS are going well and which could use some attention and growth (pg. 23).

Additional Tools for Growth

Next Step Team — Members of the team are available after each service to help you determine your next step. They can answer questions, give you ideas, and even provide accountability, encouragement, and feedback. The team will give you access to numerous resources along with suggested books that may help you in your journey.

Bible Center App & Website — The information provided by the Next Steps Team is also available digitally on our app and website.

HABITS Progress/Accountability Card — A card is available to help you keep track of your progress and next steps. The accountability card provides a way for the Next Steps Team to encourage you and celebrate your progress.

HABITS Assessment — The assessment is found at the end of this booklet. It will help you discover your strengths and areas that can be improved. There is also a digital version available. (Its QR code is found at the bottom of pg. 23.)

50 Day Devotional to Know Jesus More — This devotional is a walk through Scripture, studying the *10 Words of the Gospel* as well as each of the HABITS. It is a great way to get started on your journey.

Have a Group

As followers of Jesus, we are **centered on the Gospel** by actively, consistently, and intentionally spending time with other Christians and living life together.

TAKE YOUR NEXT STEP

☐ **Find a Life Group and Attend**

Life Groups are available on Sundays and during the week. Sunday morning groups tend to fit the needs of people during different seasons of life (College students, Young Professionals, Young Families...), but anyone is welcome to get involved with any group.

biblecenterchurch.com/groups

Life Groups also meet during the week. Connect with others through conversation and care, whether in a men's group, women's group, support group, or other type of group. Groups which meet in homes are available.

☐ **Start a Group**

Contact Pastor Mike (email: mgraham@biblecenterchurch.com) and have a conversation about the possibility of starting a new group!

☐ **Let Us Know About Your Group**

Many already have intentional friend groups that live life together. Letting us know about your group gives us the ability to support and pray for you and your group. It also helps us know how many at Bible Center are actively growing through Christian fellowship.

The church is the living, growing, and active body of Christ. The church is given the two offices of Elders and Deacons. We remember and celebrate the person and work of Jesus through the two ordinances of baptism and communion. Church leadership is called by God to shepherd, equip, and teach the flock; membership communicates who considers Bible Center their church.

Be in the Bible

God's Word is divine, inerrant, and authoritative. As **Humble Learners** we read, study, meditate on, memorize, apply, and share it with others. The Word is preached on Sundays, studied and applied in our groups, and everyone is encouraged to spend daily time in the Bible.

We talk to God as our Maker, Savior, Lord, and Friend. At any moment and at all times, we can continue to stay connected to our Lord openly and honestly by sharing everything in our life and heart with Him.

We pray to God bringing praises, requests, and repentance on behalf of ourselves and others, knowing that God hears and **God Can**.

HABITS Assessment Test

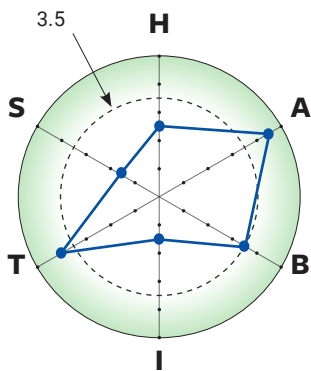

On the following pages, you will be self-assessing for each of the values of “HABITS.”

Directions

1. Based on the table in the green box, **answer all the questions on pgs. 24-29**. Write your answers on the blank lines provided.
2. Turn back to page 24. **Find out the average** by adding up your answers to questions #1-8 of each page and then dividing the total by 8. **Write down your average on the remaining blank line**. These averages are your scores for that particular value.
3. **Turn to pg. 30**. **Copy your scores** onto the blank lines.
4. **Put a dot on the corresponding HABITS value line** in accordance to your score.
5. **Connect the dots** with straight lines. An example is provided below.

Any score 3.5 or higher means you are actively growing (i.e., you have a good headstart!) for that particular value. Any score lower than 3.5 is called your “growing edge” and is an area in which you can improve.

H	<u>2.6</u>	I	<u>1.4</u>
A	<u>4.2</u>	T	<u>3.9</u>
B	<u>3.5</u>	S	<u>1.8</u>

How Do We Grow?

Jesus Transforms

We can plant seeds and water, but it is Jesus who causes the growth (1 Corinthians 3:5-6). As we behold Him, He transforms us (2 Corinthians 3:18). Spiritual growth is never something we accomplish on our own (Galatians 3:2-3, 1 Peter 4:11). Jesus is the One who saved us and He is the one who will grow us (Philippians 1:6). God is actively at work in our lives (Philippians 2:13). Thankfully, it is Jesus who ultimately transforms His children. Scripture also calls us to action, so we ask the question: ***What part do we play in our spiritual growth?***

We Participate

Jesus transforms us through His power and presence, but He also calls for our **participation**. We are responsible for our growth or lack of growth (Hebrews 6:1-6). We are encouraged or cautioned, depending on how we are doing (1 Corinthians 3:1-3). Each Christian is to work (actions) with all of their hearts (motives and desires) for the Lord (Colossians 3:23) in thankfulness and in the name of Jesus (Colossians 3:17). Though the Lord is the One who changes us (Philippians 2:13), we are to work to grow with diligence (Philippians 2:12). We consistently, day after day, present ourselves as living sacrifices to Jesus (Romans 12:1).

- **We Have Disciplers** – Spiritual disciplers and leaders protect and guard the flock (Acts 20:28). Paul labors for others to grow (Galatians 4:19, Colossians 2:1). Paul recognizes his role as an example (1 Corinthians 11:1, Philippians 3:17, 4:9, 1 Thessalonians 3:9). We labor until everyone hears about Jesus and grows to the fullness of maturity in Him (Colossians 1:28-29).
- **We Mature** – A biblical process of growth takes place, which can be described in several ways:
 - a. In 1 Corinthians 3:1-3, some are called carnal, and they are expected to be mature. Instead of spiritual food, they are only able to handle spiritual milk. Paul assesses their maturity and then writes to encourage and warn them to take their next steps of spiritual growth.
 - b. Growth is described as the movement from spiritual infancy to spiritual maturity (Hebrews 5:12-14).
 - c. John addresses people at different levels of spiritual maturity: little children (*teknia*), children (*paida*), young men (*neaniskos*), and fathers (1 John 2:12-14). Each has a particular word given and a

next step to take. The biblical authors **assess** spiritual maturity, **measure** growth, and then **encourage** people to take their next step of growth.

- **We Consider** – “And let us **consider** how to stimulate one another to love and good deeds” (Hebrews 10:24). The ability to truly determine the best way to encourage someone is through knowing and understanding them. Relationships are key in this process. As a spiritual family, as disciples, and as those needing discipleship, we are to daily **consider** how to encourage one another toward spiritual growth and increased faith (Hebrews 3:13). Each of us is motivated in different ways based upon our **maturity, personality, and stage of life**.
- **We Assess and Measure** – Taking time to thoughtfully and honestly consider our strengths and weaknesses is essential in our journey of spiritual growth. HABITS create a grid to ask questions and measure progress. Paul would consistently assess the spiritual health of a church (and often, individuals in a church) and call them to take next steps. Only God knows the heart, so the best thing we can do is point people to **actively participate** in the life-changing HABITS the Bible gives us for growth. Individuals living out 3 of the HABITS or more are considered **actively growing**. Jesus wants everyone to be **actively growing** in the church (Colossians 1:28). The church will seek to measure progress and help more people each year to actively grow!
- **We Encourage, Set Goals, and Celebrate** – Believers are called to encourage one another daily (Hebrews 3:13). This often takes place through quality conversations, setting goals, and celebrating steps of faith. With each step, Jesus receives the credit and gets the glory. Since all of us have different personalities, motivations, and life situations, encouragement and goals may differ. Some may need a group for accountability. Others may want someone to help them verbally process their next step. Some will be **intrinsically** motivated while others may first need **extrinsic** motivation to get them going on their journey.
We seek to provide many opportunities to help you on your journey!

Jesus transforms, and we are called to participate. We journey together.

We Grow!
