ABOUT GLOBAL OUTREACH MINISTRIES

Our mission at Bible Center is to make disciples of Jesus—not only locally, but also around the globe!

The five criteria we use when assessing partnership opportunities are:

- 1. *Alignment with Bible Center's purpose and beliefs (same team);***
- 2. *Impacting unreached and forgotten people-groups and cities (same mission);***
- 3. *Making more indigenous disciples of Jesus (same purpose);***
- 4. *Showing clear, gospel-driven objectives with measurable effort and results (same work); and***
- 5. *Maintaining a high contact, long-term, growing relationship (same family).***

It is our desire to encourage and support these Global Outreach Partners financially, with prayer, with encouragement, and in other tangible ways.

GET INVOLVED!

If you have questions about our GO Partners or if you want to serve with a GO Team on short-term, project-oriented mission trips, email Michelle Thompson, Director of Outreach (mthompson@BibleCenterChurch.com), or Gail Nichols (gnichols@BibleCenterChurch.com).
